Junior Coaching Application Form 11 weeks (inclusive) from 8th January to 18th March 2012

The league will recommence the table tennis coaching sessions for young players aged between 8-17 years on Sunday 8th January for eleven weeks.

It will consist of registration and warm up between 5pm and 5.15pm followed by the coaching session. It is in your interest to arrive at 5pm. Group one is for beginners and will have a maximum of six players and will finish at 6.30pm. This makes allowance for the age of the beginners.

Group two will be a combined group with improvers and advanced players under the control of head coach Marc Burman.

To maintain quality, coaching Group two will be restricted to 18 players and will finish at 7.15pm. .

Two ETTA Coaches Marc Burman (advanced group and improvers) and Steve Chambers (Beginners Group) will be there most nights and on the odd night when they are not there we will run a competition for their respective groups.

With the restriction of numbers it is necessary to get your application in early to avoid disappointment.

The League has a strict child protection policy and a child protection officer. A copy of the League's child protection policy is available for any parent who wishes to view it.

The League has a very advanced ROBOT and this will be used within the coaching.

Regrettably owing to increased costs coaching the fees had to be raised during the previous session. They will remain at £5 per week if paid weekly. But to encourage payment in advance, which makes our budgeting easier, the cost will also remain at just £38.50, which works out at £3.50 per week. The League has made provision to continue to subsidize the cost at around £30 per night.

Forms to be received by or on the 8th January and can be posted or brought along to the first session.

Bats and balls can be borrowed free of charge, but as players improve, it is in their interest to have their own bat.

If you have any questions, please contact Brian Taite on 01444 413339 or at briantaite@hotmail.co.uk

----- DETACH-----

For information, please indicate how you heard about the coaching. (Q1 2012)
