

Haywards Heath & District Table Tennis League

www.haywardsheathttl.org.uk

Family and league practice Sun 8th January to 18th March 2012

The Sunday practice is for all players of all abilities. League players are welcome along side non league players with their families to have lots of fun. There is a reduced rate for families. (See Lyle).

Practice times are 6.30pm to 8.30pm

The League has agreed to continue to offer a cheaper rate for players prepared to pay in advance for Sunday practice. This opportunity covers the 11 weeks between January and March (Excl the League's closed championships on Sun 25th March).

The weekly practice cost is £3 for adults. It is unchanged from last year and I am sure you agree it is very cheap for two hours table tennis practice. We do need your support on Sunday evenings to help pay for the hall. For players paying in advance there is a saving of £5.50 over the eleven weeks.

In addition, as we want to attract families we have agreed that juniors (under 18 as at 1/9/2011) can play for just £1.50 as long as they are not participating in the coaching. Please note that this practice is not supervised, so a parent or guardian must remain in the hall.

Please be aware that between 6.30 and 7.15 there may only be four tables available. Please take note of this and be prepared to share. Between 7.15 and 8.30 there will be at least fourteen tables available.

As mentioned above, the League also organize junior coaching between 5pm and 7.15pm on Sundays (Beginners 5pm to 6.30pm, intermediate & advanced players continue on to 7.15pm). There is a separate application form for this on www.haywardsheathttl.org.uk or contact Lyle for further information.

The League has purchased a very advanced robot for use by juniors during coaching. This will be available after 7.30pm for a small additional fee to practice players. Please talk to Lyle or Brian.

Please complete the form below (one for each player) and bring this with you on Sun 8th January.

If you have any questions, please contact Lyle Cyster on 01444 457522 or by email at Lyle.Cyster@LloydsTSB.co.uk

----- DETACH -----

For information, please indicate how you heard about the practice. (Q1 2012)
